

for recently celebrating 30 years of distinguished service at East River Electric.

Jeff Nelson understands the word dedication. Mr. Nelson was born and raised in Marion, SD, where he attended high school. After graduating from South Dakota State University in 1971 with a degree in electrical engineering, he entered the U.S. Army and was stationed in Germany. From 1971 to 1974, he served as an officer in the U.S. Army's Armored Division. After honorably serving, he and his wife, Trudi, relocated to Madison where he started working for East River Electric.

I know first hand that Jeff has done a great deal to improve the lives of countless South Dakotans. He is a tremendously talented man with a great deal of energy and ambition. He is not only a good friend, but a person who may staff and I deal with closely. As general manager of East River Electric since 1990, he has earned the respect and admiration of all those who have had the opportunity to work with him.

East River Electric is a power supply cooperative which serves wholesale electricity to 22 member systems, which in turn serve over 82,000 homes and businesses. The 36,000 square mile service area covers 41 counties in Eastern South Dakota and nine counties in western Minnesota.

Jeff's friendly demeanor and wealth of knowledge have helped him develop close relationships with his colleagues and with community leaders throughout our State. This friendly attitude has led to numerous elected posts and honors. He is currently the president of the Mid-West Electric Consumers Association board of directors, Upper Great Plains Region Affiliate of Western States Power Corporation board of directors, chairman of the Power and Water Resources Standing Committee of the National Rural Electric Cooperative Association, and vice president of the Western States Power Corporation board of directors. Among his many philanthropic efforts are the organizer of the Lake County Food Pantry, treasurer of the East Central South Dakota Habitat for Humanity, and he is on the board of directors for the Lake Area Improvement Corporation.

Through it all, Jeff's devotion to his family is his number one priority. Even as his responsibilities at East River Electric changed and grew, his commitment to his family never wavered. Jeff and Trudi have two children, Erik and Katie. Erik and his wife, Stacy, live in Sioux Falls, while Katie resides in nearby Marshall, Minnesota.

I congratulate Jeff Nelson for his 30 years of distinguished service. It is with great honor that I share his impressive accomplishments with my colleagues.●
